

SCHOOLS OF INNOVATION
2016-2017
Intent to Apply Form

Please submit this letter of intent form to indicate your interest in applying to become an Arkansas School of Innovation. Schools wanting to know more about the School of Innovation initiative and application process are encouraged to attend the informational session at the close of the 2nd Annual Education Innovation Summit on September 27, 2016.

To apply, the school is required to send a team to one of the regional School of Innovation meetings. The trainings will be led by the Office of Innovation for Education at the University of Arkansas and the Office of Educational Options at the Arkansas Department of Education.

Date: _____

_____ School in the _____
